

GetMeCare

Caregiver Onboarding Questionnaire (Raenest-Optimized)

Step 1: Basic Information & Service Focus

- **Full Legal Name:** (First Name, Last Name).
- **Profile Display Name:** (How your name appears to local families, e.g., "Sarah M.").
- **Contact Details:** (Email Address, Mobile Phone Number).
- **Primary Caregiving Role (Select One):**
 - **Certified PSW:** I hold an active Ontario College PSW Certificate or equivalent nurse training.
 - **Companion / Caregiver:** I offer non-medical senior care, light housekeeping, and companionship.
- **Languages Spoken Fluently:** (Multi-select dropdown: English, French, Tagalog, Italian, Mandarin, etc.).

Step 2: Location, Target Rates, and Autonomy

- **What cities/regions do you service?** (Checkboxes for Toronto, Ottawa, Mississauga, or surrounding Ontario municipalities).
- **What is your baseline hourly rate (\$ CAD)?**
 - *Input Field:* \$ _____ / hour.
 - *Helper Text:* "As an independent contractor on GetMeCare, you control your pricing. Families will pay you this rate through our secure checkout, minus our platform facilitation fee."
- **What types of care are you willing to fulfill? (Select All That Apply):**
 - Personal care (Bathing, grooming, toileting, mechanical lifts).
 - Companion care, companionship, and light domestic housekeeping.
 - Specialized care (Alzheimer's, Dementia, Palliative care support).
 - Errands and patient transportation (Requires a valid driver's license and vehicle).

Step 3: Professional Document & Verification Upload

Profiles will remain hidden in our local search directory until these credentials are manually verified by our administration team.

- **Government-Issued Photo ID:** (Upload button for Ontario Driver's License or Canadian Passport).
- **Proof of Qualifications (For Certified PSWs):** (Upload button for Ontario College Certificate, Diploma, or proof of nursing registration).
- **Vulnerable Sector Check (VSC):** (Upload button for a valid Ontario police check issued within the last 12 months).
- **First Aid / CPR Certification:** (Upload button for an active St. John Ambulance or Red Cross certificate).

Step 4: Mandatory Payout & Platform Fee Card Link

To receive payments for completed shifts and automate platform billing, you must link a valid Canadian Visa/Mastercard debit or credit card to your provider profile.

- [ **Link Your Card Now via Secure Gateway**]
 - *Developer Note:* Connect this button directly to the **Raenest Tokenization API**. This securely locks their card data on file without storing raw card numbers in your local database.
- **Mandatory Billing Acknowledgments:**
 - *Checkbox:* "I understand that GetMeCare acts as a matchmaking marketplace. I am registering as an independent contractor and a self-employed business entity—not an employee of GetMeCare."
 - *Checkbox:* "I agree to use the integrated **Clock-In / Clock-Out** system to track my hours. I acknowledge that once an employer approves my timesheet, 100% of the shift earnings will be pushed directly to my linked account."
 - *Checkbox:* "I authorize GetMeCare to automatically charge my linked card on file for its **15% platform facilitation fee** immediately following the successful deposit of my shift earnings."
 - *Checkbox:* "I understand that if a platform fee charge fails due to insufficient funds, my provider profile will be instantly hidden from the public directory until the balance is cleared."
