Tired of Expensive Ontario Home Care Agencies?

Traditional senior care agencies across Ontario charge families sky-high rates, yet they pay caregivers minimum wage. This leads to high worker turnover and inconsistent care for your loved ones.

GetMeCare changes everything. Our platform connects Ontario families directly with independent Personal Support Workers (PSWs) and home health aides. By removing the corporate agency middleman, families pay less for premium care, and caregivers earn the higher wages they truly deserve.

How to Hire Private Caregivers on GetMeCare

Step 1: Search Local Profiles

- Filter certified Ontario caregivers by city, language, available hours, and specific caregiving expertise.

Step 2: Review Verified Badges

- Check active PSW certificates, verified police background logs, and real reviews from local families.

Step 3: Book & Pay Securely

- Schedule custom shifts and safely process automated payments directly through the getmecare.ca dashboard.

The Safest Marketplace for Independent Senior Care

- **Affordable Hourly Rates**

Set your own care budget and negotiate hourly rates directly with independent contractors.

- **Elite Caregiver Vetting**

We screen and verify every driver's license, CPR certificate, and background check before any profile goes live.
